**AGING (i)fe CARE™**  
ASSOCIATION  
MEMBER

**Juliet** is and has been many things: Student. Mom of five, including twins. Birth doula. Avid reader. Organizer. La Leche League Leader. Elementary school teacher. Receptionist. Activities assistant. And now Office Administrator and Creative Engagement Specialist at Aging Wisdom.

Juliet will be the first to observe the common thread tying her roles together: “Being in relationship with people.”

As Aging Wisdom's Office Administrator, she is the calm, dependable presence staff turn to for troubleshooting, answers and support. She is the key person who keeps us organized, well-stocked, ahead of deadlines, and running smoothly. And if you stop by our office, she will likely be the friendly face who greets you.
