

Aging Wisdom is an Aging Life Care™ Management practice helping families navigate the options for aging well.

Are you: Overwhelmed? Stressed? At an impasse?

- Feeling both blessed and burdened helping your aging parents?
- At the end of your rope trying to balance the needs of your immediate family, a job and caring for an older loved one?
- Challenged managing conflicts between your siblings about how to best care for your parents?
- Concerned for your parents' safety, well-being and independence, and it's keeping you awake at night?
- Noticing worrisome changes in your parent, contrary to what he or she tells you?
- Living far from older loved ones and overwhelmed by caring for them long-distance?

The responsibilities of taking care of your parent, spouse or family member can be very stressful. As Aging Life Care Professionals®, also known as care managers, we provide you with the tools to make informed decisions about your options and plan of action.

It's not uncommon for families to try to figure out everything on their own. **But you don't have to go it alone.**

Engaging the help of an experienced, knowledgeable Aging Life Care Professional can be a bit like jumping on a life raft in the midst of stormy waters.

A consultation with an Aging Life Care manager can save time, money and provide you with confidence that you are heading in the right direction and making the best choices.

Aging Wisdom is in the perfect position to help you and your family navigate the transitions of aging. As your trusted consultant, it is our mission to help you find creative solutions to your most challenging problems.

If you feel overwhelmed and confused about what to do, Aging Wisdom is prepared to help you and your family. We are a phone call away.

Schedule a consultation with us and find that peace of mind you deserve by calling 206.456.5155, ext. 1.

Our services are proven to help families move forward successfully even when the situation is challenging.

CONSULTING

Caregiving, while often a voyage of love, can be stressful and overwhelming. Our clients tell us that meeting with our experienced Aging Life Care professionals for a consultation is a bit like jumping on a life raft. We help you navigate uncharted waters and ensure safe passage on your caregiving journey.

Aging Wisdom provides short-term and long-term consultation services and support for a wide range of issues related to growing older. Whether you are looking for specific resources within your budget or need help solving complex problems, we have the expertise and proven strategies to help. At every turn we listen and inspire you to create a workable self-care plan.

Find yourself stuck or at a stalemate? Resistance to care a problem? Many clients turn to us when they hit an impasse or are at odds with one another. Consulting services guide you skillfully through the stormy seas.

We individualize our program for every client. Services are provided at one of our conveniently located offices or we can travel to a location of your choice.

CARE MANAGEMENT

Care Management services are an ideal option when family members are juggling multiple commitments, providing long-distance caregiving and for those who are feeling the strain of caretaking responsibilities.

Professional care management allows one of our Aging Life Care professionals to remain actively involved, help implement the care plan, find placement options if necessary, monitor the situation and coordinate care on an ongoing basis. We will act as an advocate to ensure your loved one's needs are met.

CREATIVE ENGAGEMENT

Our Creative Engagement program is exclusively designed to complement our ongoing care management services and is not open to the general public.

What makes us different? We believe in taking care of your family the way we want our loved ones cared for. To ensure quality, our creative engagement services are overseen by our Aging Life Care professionals and we match clients with just the right specialist. After each appointment your family will receive an update about the visit. You'll be delighted to watch how your loved one blossoms while every detail is skillfully attended to and closely monitored.

Creative engagement specialists are carefully vetted, offering rich life experience and a passion for helping others. Aging Wisdom Creative Engagement is focused on providing life enrichment opportunities.

Aging Wisdom is here to help you and your family make sense of the transitions of aging and find the answers you need. Call us today to schedule a consultation. We can meet in your home or in one of our two convenient offices.
