Juliet is and has been many things: Student. Mom of five, including twins. Birth doula. Avid reader. Organizer. La Leche League Leader. Elementary school teacher. Receptionist. Activities assistant. Aging Wisdom's Creative Engagement Lead.

Juliet first joined Aging Wisdom as a creative engagement specialist and later became our office administrative assistant. She was the calm, dependable presence staff turn to for troubleshooting, answers and support. Becoming our Creative Engagement Lead was a natural next step for her.

Juliet is a certified home care aide (HCA) and has worked in the field of aging since 2012. Juliet facilitates Professional Boundaries Training (approved by DSHS for 3 CEU credits for caregivers) and is involved with hiring, training and supervising Aging Wisdom creative engagement specialists. Her experience as a specialist is particularly helpful in assisting our team with tailoring activities and supports for our clients.

Juliet will be the first to observe the common thread tying her past and present roles together as: "Being in relationship with people." And when you meet Juliet, you will understand that this is the essence of who she is and what she brings so fully to this position.
