Lauren is a passionate professional whose work experience and expertise encompasses care management, life enrichment, senior living, hospitality, and healthcare.

As a Certified Care Manager, Lauren is focused on enhancing the quality of care and well-being of clients, working collaboratively with their families and other supports. Undeterred when she encounters a challenge, Lauren perseveres. She artfully navigates complex systems, asks the right questions, and thoughtfully advocates for her clients.

She especially enjoys fostering relationships with others in the community and partnering with them to make the world more welcoming and honoring of older adults.

Lauren earned her Bachelor of Arts in Community Psychology from the University of Washington. Outside work, she enjoys traveling, camping adventures, hiking, yoga, scuba diving, and a good meal with her family and friends.
