Caroline is a Care Manager and Licensed Associate Social Worker with a Master of Social Work from the University of Denver. She is passionate about providing older adults and their families with support and resources to promote healthy, safe, and autonomous aging.

Her experiences working in diverse Social Services roles have allowed her to develop critical skills: specializing in working with individuals and families with complex needs, including those living with dementia, navigating grief and loss, and managing crises.

Caroline loves spending time outdoors, whether it's hiking, camping, snowboarding, or foraging. She also enjoys reading, playing cozy video games, and going to concerts.
